Supervisors Propose Increase In Local Tax Levy

The picture above shows a portion of the interested citizens in Appomattox County who appeared at the meeting last week of the Appomattox County Board of Supervisors when Howard Wolfe appeared before the County Ordinance with regard to a music festival he proposes to put on in our county.

Set Public Hearing For May 31st

The Appomattox County Board of Supervisors meeting in recessed session on April 25th reviewed and discussed the County Budget, took no action at this time but met in a recessed meeting again on May 3rd and at this time set May 31st as the date for a Public Hearing regarding a proposed increase in the local tax levy.

The proposed increase would be from the present tax levy of $2.90 to $3.50 per $100.00 valuation on real estate and personal property; from $1.90 to $2.50 on livestock and farm machinery; and from .60 to $1.00 on Merchants Capital.

The May 31st Public Hearing will be held at 7:30 p.m. at the Appomattox County Court House and citizens will have the opportunity to appear and be heard on the subject of the local tax levy increase.

Each of the County Department Heads are expected to be on hand to help explain the need for an increase in the tax levy in Appomattox County.

At this May 3rd recessed meeting, the board voted that County employees s a l a r i e s would not be increased in excess of 6%.

At the regular meeting of the board on Friday, May 10th, at 11:00 a.m. the meeting was moved from the Clerk's Office to the Court House so that interested citizens might hear a request from Howard Wolfe, President of the Virginia String Music Association, when he appeared before the board to ask for a variance in the County Ordinance regarding music festivals or public gatherings of any kind.

John C. Cole, Chairman of the Board of the Board of Supervisors; O. W. Martin, Sr., and O. H. Tolley, members of the board; voted not to approve any variance of any kind at this time or at any other time. The County Ordinance is very "tight" and was so adopted to protect the citizens of this county, however, Mr. Wolfe was informed that if he could comply with all aspects of the ordinance that the board did not have the authority to keep the music festival out of the county.

A copy of the County Ordinance is on record in the Clerk's Office for the benefit of any anyone who might wish to read it.

See bottom of story

In other business before the board, authorization was given to install a permanent diesel gas tank and a regular gasoline tank at the Appomattox County Landfill so that both types of gasoline could be purchased at a bulk rate.

At this meeting the board officially adopted the proposed resolution regarding the moving of certain voting precincts in Appomattox County by the time of the next General Election in the county.

In the afternoon session of the Friday meeting, the board voted to make application to the Soil and Water Conservation Commission to have a Soil Survey of the county made.

Action Tuesday:

On Tuesday, May 14, 1974, (we have just been informed by the Commonwealth Attorney for Appomattox County) **Howard Wolfe by his attorney filed with the Clerk of the Appomattox County Circuit Court** A Writ of Mandamus. The Writ asks that the Appomattox Circuit Court order John C. Caldwell, Commissioner of the Revenue, to issue a license to the Virginia String Music Association for the music festival on May 24 through May 27th.

Judge Ernest Gates, Judge Designate, will hear Mr. Wolfe's Writ on Thursday, May 16th, today, at 2 p.m. in the Appomattox Circuit Court.

Cancer Crusade Nears Fair Share Goal

The Appomattox County Unit of the American Cancer Society is well on its way to reaching its 1974 Fair Share Goal of $3,300.00 according to Mrs. Ellen Jamerson, Crusade Chairman. The Chapter is looking towards a challenge goal of $4,000.00.

The majority of funds raised during this drive will be used for cancer research to discover new means and methods for the treatment and prevention of all types of cancer. Some of the funds are used locally to provide a loan closet for equipment such as wheel chairs, crutches, hospital beds, etc., for cancer patients. These are free of charge to anyone who needs them, upon promise of a return when these items are no longer needed by the patient. Other funds are used

APS PT-A To Meet Thurs., May 16th

The Appomattox Primary School Parent-Teacher Association will meet on Thursday, May 16th, at 8 p.m. in the cafeteria at the school.

There will be a Student Fair for the program, with Kindergarten children sharing instructional program from musical theme. First graders will share art projects; second graders will provide some demonstrations from their physical education program; third graders will share techniques in teaching reading; and fourth graders will share social studies program.

Officers for the 1974-75 school session will be installed at this meeting.

All parents and teachers are urged to attend.

Brownies To Try For 4th Win

Brownies of Troop 308 of Appomattox were successful in defeating a team from Villa Maria Academy in Lynchburg when they appeared for the third consecutive week on Kiddie Kollege Friday night. They will be trying for their fourth win this Friday night at 7 p.m. on Channel 13, WLVA-TV. With a win on Friday night, the girls of Troop 308 would be retired as Champions. In our opinion, they are true champions, now.)

Members of the troop to appear will be Nancy Morris, Laura Walton, Joanie Canada and Karen Doss, alternate.

Let's all be sure to tune in Kiddie Kollege on Friday at 7 p.m. on Channel 13 and cheer these girls on the one more win!

1975-Crop Wheat Allotment

A 1975 national wheat allotment of 53.5 million acres was recently announced by the U. S. Department of Agriculture. James R. Ford, Jr., who is chairman of the Appomattox County Agricultural Stabilization and Conservation Committee says the allotment does not represent a limit on the amount of wheat that may be planted. It is used solely to determine what payments would be made to wheat growers if the national average market price for wheat during July - November 1975, falls below $2.05 a bushel.

A national acreage allotment for 1974 - crop wheat was established at 55.0 million acres and Ford says farmers are expected to plant nearly 71 million acres.

The allotment for 1975 is lower than this year's because of an estimated slight decline in total wheat utilization and an expected increase in national average wheat yield, says Mr. F

se is projected at shels, exports at 950 million bushels and imports at one million bushels.

The Chairman reports that the projected total use for the 1975-76 marketing year of 1,755 million bushels compares to 1,974 million bushels for the 1973-74 marketing year, and 1,760 million bushels projected for the 1974-75 marketing year.

REGISTRATION OF CONTRACTORS AND SUBCONTRACTORS REQUIRED

Title 54, Chapter 7 of the Code of Virginia requires a certificate of registration from the State Registration Board for contractors before such contractor may bid or engage in a contract or project, private or public, the value of which is $30,000.00 or more, or when such contractor's annual volume is $200,000.00 or more.

Applications must be filed at least 30 days before a meeting of the Board.

The next Board Meeting is scheduled for July 12, 1974. Applications for registration and information are now available at the Office of Building and Housing.

If you are in need of further information, it can be obtained at the Office of Building and Housing located in the Town Office in Appomattox.

Lawson Ford To Sponsor Invitational Tournament

Lawson Ford, Inc. softball team will sponsor the Lee-Grant Slow-Pitch Invitational Softball Tournament here this week end.

At least fourteen teams from Appomattox, Buckingham and Lynchburg will be participating.

Food and drinks will be sold at the Town Ball Park and at the Appomattox County High School where the tournaments will be played and all proceeds will go to benefit the softball league.

Trophies will be awarded first place team, second place team, and one to the most valuable player in the tournament.

There will be no admission for any of the games and a good turn-out is hoped for. Come out and root for your favorite team!

Work To Begin On Church Street Project

Work is scheduled to begin to correct a safety hazard on the corner of Church Street and Lee-Grant Avenue this week. Representatives from the Virginia Department of Highways, Ned Hancock from Liberty Baptist Church, T. E. Pittman, Resident Engineer; and Bill Slagle, Town Manager; are shown above looking over the matter.

Liberty Baptist Church has cooperated with the Town of Appomattox in correcting this safety hazard by donating the necessary right-of-way.

When the project is completed it will make for much safer driving for citizens of the Town of Appomattox, the County of Appomattox and for tourists.
